Thank you to Kristin Marx and Katie Kissinger for their donation to our department on a new HomeAgain- This tool will help us scan chipped dogs and reconnect them with their owners! With their generous donation and Town of Hartford PD's we are able to have these tools in both of our patrol vehicles now!

Kewaskum Police Department strives to build positive relationships within our community and within our schools. One of the ways our Police Department is able to build a positive relationship within the school is our reading program with the Kiwanis 'n Cops 'n Kids Program! Chief Bishop and Kiwanis President Mark Yanke read to a class room and provide each student with their own copy of the book! This is such a fun idea that the kids truly enjoy! 📖

Last week, a few lucky KES classrooms had a special visit from Chief Bishop from the Village of Kewaskum Police Department, thanks to the Kiwanis Cops 'N Kids Reading Program. He not only treated the students to a fun story, but also answered questions and snapped a few fun pictures with them. Big thanks to Chief Bishop and Kiwanis for their generosity in providing each student with a copy of the book! #ksdpride

Body camera footage of the first few minutes on scene at the house fire on Hwy 28 that occurred on Saturday, May 25th, 2024. Officer Kost desperately wanted to save the family dog, but sadly was unable due to the amount of smoke.

Amazing acts of selfless behavior by those neighbors who came to help and get the residents out of the residence!

See the press release by the [Washington County, Wisconsin Sheriff's Office](#) for more information.
